Introduction

If you are a parent or carer considering sending your child to Goring Church of England Voluntary Aided Primary School you should first contact the school office to find out about visits and the school's admission arrangements.

Each autumn term the school holds 'open days' where you will be able to meet the Headteacher or Assistant Head teachers. You will be given a tour of the school and its facilities and be able to see learning taking place.

Before children start school at Goring they are invited to participate in transition sessions with their parent or carer. You and your child will have opportunity to become familiar with the school building layout and meet your child's teacher and teaching assistant as well as other families joining the school.

To apply for a place at the school you will need to contact the Local Authority Admissions Office.

For West Sussex (South) residents this office deals with admissions for all schools in the area:

Part 1 - General information

1.1 About our School

Goring Church of England Voluntary Aided Primary School is a church school which West Sussex County Council volunteers to aid. In a voluntary aided school the Governors form the Admissions Authority.

Goring School became a primary school in September 2015. The school capacity is 436 pupils, with each Reception/Key stage 1 year groups accommodating 60 children. Governors have decided that each Key stage 2 year will generally not exceed a maximum of 64 children. For further information see the school website.

1.2 The Published Admission Number (PAN)

A statutory Published Admission Number applies for the year of entry (Reception). This indicates the number of places that will be offered if sufficient applications are received. The Governors' Admissions Committee will consider all applications for Reception in accordance with these admission arrangements and places will be offered until the Published Admission Number is reached. If more applications are received than the PAN then the Admissions Committee will apply the Oversubscription Criteria (See Part 4 of this document).

The PAN set for the 2023/24 academic year is 60.

1.3 Relevant Documents: Please read this information before applying for a school place

Important documents published by every Local Authority are relevant to some areas of school admissions procedure. Applicants are strongly advised to contact their 'home' Local Authority (the area in which your child lives) or access the Local Authority website and ensure that they read and understand this information before proceeding with an application for a school place.

Related documents of particular importance are:

- The Composite Prospectus known locally as "Information for Parents Booklet"
www.westsussex.gov.uk/admissions
- The Local Authority Fair Access Protocol
- The Local Authority School Transport policy

For West Sussex:

www.westsussex.gov.uk/admissions

1.4 Service Personnel and Crown servants

Applications for places for children of families of Service Personnel with a confirmed posting or crown servants returning from overseas must be accompanied by an official letter that declares a relocation date. Parents must supply evidence of an intended address which will be used by Governors to apply the over subscription criteria.

Part 2 – Entry to Reception in September 2023 (normal admission round)

2.1 The application process for a child to enter Reception in September 2023 must be coordinated by the Local Authority (the Local Authority responsible for the area in which the child subject to the application lives).

Before applying for a school place, applicants should refer to the ‘Information for Parents Booklet’ published by the Local Authority and relevant other information set out in section 1.3 of these arrangements.

2.2 The application form to be used is the ‘Common Application Form and is available from the Local Authority. Link to common application form: www.westsussex.gov.uk/education-children-and-families/schools-and-colleges/school-places/moving-school/#moving-to-or-within-west-sussex

This must be submitted to the Local Authority no later than 23.59 hours on 15th January 2023 (the Closing Date).

2.3 A Supplementary Information form (SIF) and Church supported application form are available on the school website or from the school office to be completed and returned to the school no later than 23.59 hours on 15th January 2023. This gives the opportunity for parents to submit additional supporting information which the Governors will consider when determining which criterion is applicable.

2.4 The Local Authority (where this is not West Sussex) will forward details of applications submitted for West Sussex schools to West Sussex County Council. The Admissions Committee at Goring Primary School will consider all applications that indicate a preference for the school and where necessary to do so, the committee will apply the oversubscription criteria in order to rank applications and determine a priority for admission.

Late applications: Applications received after the closing date will be considered after other applications. Places will be offered in accordance with the Governors’ admissions criteria.

2.5 The Admissions Committee will notify West Sussex County Council of their provisional application decisions in accordance with the timetable set out in this authority's published 'Information for Parents Booklet'. Final decisions will be notified to applicants by letter, post or email, to be sent out in April 2024 by the Local Authority.

Part 3 - Admission to any year group during the 2023/24 academic year (in-year admission)

3.1 The application form to be used is 'the Common Application Form') and is available from and must be submitted to the Local Authority. The governors will not consider any applications received during school holiday periods until school resumes. The application form is available to download from the Local Authority website, or a copy can be provided upon request at the school office. The Supplementary Information Form (SIF) and Church supported form may also be completed and submitted in support of the application (see section2.3). This gives the opportunity to submit additional supporting information which the Governors consider when determining which oversubscription criterion is applicable.

Link to common application form: www.westsussex.gov.uk/education-children-and-families/schools-and-colleges/school-places/moving-school/#moving-to-or-within-west-sussex tab

3.2 Where the request is for the child's chronological age year group and there is a place available, the decision made by the Governors Admissions Committee will be to admit the child concerned and applicants will be notified in writing by the Local Authority.

3.3 Where the governors have more than one application to consider at any one time for the same year group, they may need to apply the published oversubscription criteria in order to determine a priority for admission (see Part 4 – Oversubscription Criteria).

3.4 In-year decision letters are sent out from the Local Authority Admissions Office, following the decision being taken by the Admissions Committee. Applicants will be expected to make contact with school to confirm their individual admission arrangements and should be placed on roll within 10 days (2 school weeks) of the offer letter.

3.5 The Governors support fair access to school for all children. Therefore, subject to the information provided on the application form and the circumstances at the school, the Admissions Committee may decide to refer an application that has been refused to West Sussex Local Authority where one or more of the criteria set out in this authority's Fair Access Protocol is satisfied. A referral would be made where a child is deemed to require a higher level of

support than can reasonably be provided at the school. The Fair Access Protocol enables the local authority to engage directly with a family and so help identify a suitable educational placement as soon as possible. Applicants are advised to refer to the Local Authority Fair Access Protocol before submitting an in-year application form.

Part 4 - Oversubscription Criteria

4.1 Introduction

Where there are more applications than there are places available within the requested year group, the Admissions Committee will apply the following oversubscription criteria in order to rank every application received. This will identify a priority for admission within the admission number or limit set at that time.

Before applying the oversubscription criteria, a place will always be allocated for any child with an Education Health and Care Plan that names Goring Church of England Voluntary Aided Primary School as the school the child must attend. That child will count toward the total admission number of 60.

Children with an Education Health and Care Plan are admitted to school in accordance with a separate process administered by the Local Authority in whose area the child lives.

4.2 The Oversubscription Criteria

1. A child looked after or a child who was previously looked after but immediately after being looked after became subject to an adoption, child arrangements, or special guardianship order* including those who appear to the Governing Body to have been in state care outside of England and ceased to be in state care as a result of being adopted. A looked after child is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (section 22(1) of the Children Act 1989 applies). Evidence must be provided. (Note a)

* An Adoption order is an order under the Adoption Act 1976 (see Section 12 Adoption orders) and children who are adopted under the Adoption and Children Act 2002 (see Section 46 adoption orders). A 'child arrangements order' is an order settling the arrangements to be made as to the person with whom the child is to live under Section 8 of the Children's Act 1989 as amended by Section 14 of the Children and Families Act 2014. Section 14A of the Children Act 1989 defines 'special guardianship order' as an order appointing one or more individuals to be a child's special guardian (or special guardians)

2. Children who need a place at the school on exceptional and compelling social, psychological, or medical grounds. Evidence must be provided (Note b)

3. Children from Church families who regularly worship at St Mary's Church or St Laurence's Church, Goring-By-Sea. (Note c)

4. Children from Church families who worship at another Church that is affiliated to Churches Together in Britain and Ireland or to the Evangelical Alliance and who will have a sibling at the school at the time of admission. (Note c & d)

5. All other children who will have a sibling at the school at the time of admission (Note d)

6. Children from Church families who worship at another Church that is affiliated to Churches Together in Britain and Ireland or to the Evangelical Alliance. (Note c)

7. Children living within the school's catchment area as designated by the Local Authority. (Note e)

8. All other children

4.3 Notes related to Oversubscription

a) Evidence is required to support applications for children looked after or children who were previously looked after and who ceased to be so because they were adopted (or became subject to a residence order or special guardianship order).

Applications for children looked after should be made by the relevant social worker.

Applications for children who are adopted should be supported by a copy of the adoption order – made under the terms of the Adoption and Children Act 2002 (which came into force on 30 December 2005) –and the new birth certificate.

Applications for children who are subject to a residence order – made under Section 8 of the Children Act 1989 should be supported by a letter from social services confirming the details of the arrangements for the child.

Applications for children who are subject to a special guardianship order – made under Section 14A of the Children Act 1989 (as amended by the Adoption and Children Act 2002) should be supported by a letter from social services confirming the details of the arrangements for the child.

b) Exceptional and compelling social, psychological, or medical grounds
Parents wishing to apply under this category must submit independent professional evidence with their application which explains clearly why it is essential for the child to attend the school named as their first preference. (This evidence should be posted to the Pupil Admissions Office by Recorded Delivery, to arrive no later than the County deadline for Starting school applications).

The supporting evidence from the qualified professional (i.e. medical consultant, psychologist or social worker) must detail fully the child's needs and address the reason why these needs can only be met at the preferred school. Letters from parents alone are not sufficient nor are letters that do not address the question of which school the child must attend. Letters from teachers at the child's current school will not be taken into account. It is a parents' responsibility to send any evidence relating to the child to support the application. The application will not be considered under this category if you do not provide the supporting evidence.

The Governing Body will consider the supporting evidence and make a decision.

c) A Church family is defined as parent(s)/guardian(s) who attend(s) a Church Service at least once a month over a period of at least one year immediately preceding the closing date for applications and whose application is supported by the appropriate minister. If the parent has moved churches in that period, confirmation will be required from all relevant ministers. Parent(s)/guardian(s) applying under criteria 3, 4 or 5 will need to complete the Church Support Form available on the school's website or from the school office in addition to the WSCC form. They will also need to ensure that their Minister (and where relevant, their former Minister) completes, and submits the Church Support Form to the School Governors, confirming that these criteria are met by the application closing date as specified in 2.2 above.

d) Siblings may be half or step siblings living permanently at the same address as their older brother or sister.

Additional note: Children who have a sibling in the school at the time they begin to attend and whose residence is in the local authority catchment area prior to September 2015 and who are still living in the same residence shall be treated as though they are in the post September 2015 Local Authority Catchment area.

e) For your Local Authority Catchment Area use <https://www.westsussex.gov.uk/education-children-andfamilies/schools-and-colleges/school-places/school-catchment-areas/>

f) For the definition of Home Address see paragraph 6.6

4.4 Distance Measurement and Tiebreaker

Where the Published Admission Number is reached part way through any criterion, a straight-line measurement between home and the school will be calculated for every child satisfying that criterion.

All distances are measured by a straight line from the school to the child's home address, using Ordnance Survey address point data from a central point in each building. Places will be offered for those children living nearest to the school until all available places have been allocated.

Random allocation will be used as a tie-break to decide who has the highest priority for admission if the distance between two or more children's homes and the school are exactly the same. This process will involve the drawing of lots, which will be supervised by a person independent of the Admissions Authority.

Part 5 - Appeals Procedure

5.1 Whenever an application for a school place is refused, the legal right to appeal the decision will be offered to the applicant.

5.2 An appeal timetable is published annually on the school website by 28th February. This sets out the timeframe for the various stages in the appeal process and includes statutory dates by which appeals must be heard.

Appeal forms relating to joining Reception at the beginning of September must be submitted in line with the instructions set out in the Composite Prospectus known locally as "Information for Parents Booklet".

Appeal forms must be submitted to the Appeal Administrator, Legal Services, County Hall, Chichester, West Sussex PO19 1RQ.

5.3 The Appeal Form is available to download from the school website, Local Authority or can be collected from the School Office. This form must be used for all appeals in connection with decisions issued by the Governing Body.

5.4 The Admissions Committee does not administer appeal hearings during school holidays. Appeal forms received when the school is closed will not be processed until the school resumes. If you appeal, you will receive advance notice of the hearing date. You will be invited to attend the Appeal. The Appeal will be heard by an Independent Panel and conducted as informally as possible. You will have the opportunity to put forward your case and ask questions. You will be informed of the panel's decision by the Legal Services Clerk the next school day, and in writing thereafter.

Part 6 – Definitions and Important Information

6.1 Waiting Lists

In accordance with statutory requirement the Governors will maintain a waiting list for Reception, and will do so until the last school day of the academic year 2023-24. This will hold the names of all children refused admission to this year group, ranked according to the published oversubscription criteria. Each child added to the waiting list will require the waiting list to be re-ranked. Waiting lists are also held for all other year groups. If parents wish their child to remain on the waiting list for the academic year 2024-25 they must inform the school office.

6.2 Deferred, Delayed + Summer Born Admissions

Since September 2011 parents of Reception aged children have the right to choose whether they wish their child to start school full-time or part-time. However, children must receive full-time education in the term following their fifth birthday. Parents have the right to defer entry to later in the academic year and, in such cases, a place offered in Reception will be held open for the child for that intake year. If your child is offered a place in Reception at this school, and you think you may want to defer, we will discuss your child's transition into school with you.

6.2a Deferred Admission

The child's parents can defer the date their child is admitted to the school until later in the school year, but not beyond the point at which they reach compulsory school age and not beyond the beginning of the final term of the school year for which the arrangement was made; and, where the parents wish, the child can attend part-time until later in the school year, but not beyond the point at which they reach compulsory school age.

6.2b Delayed Admission/Summer born

The parents of a summer born child (all children born from 1st April to 31st August) may choose not to send that child to school until the September following their fifth birthday and may request that they are admitted outside of their normal age group – to Reception rather than Year 1.

Parents should be aware that although the admission may be agreed, a place will not be held in a Reception class and there is no guarantee of a place being available at the school for the following year.

☐ School admission authorities are required to provide for the admission of all children in the September following their fourth birthday, but flexibilities exist for children whose parents do not feel they are ready to begin school before they reach compulsory school age.

☐ Where a parent requests their child is admitted out of their normal age group, the school admission authority is responsible for making the decision on which year group a child should be admitted to. They are required to make a

decision on the basis of the circumstances of the case and in the best interests of the child concerned.

□ There is no statutory barrier to children being admitted outside their normal age group, but parents do not have the right to insist that their child is admitted to a particular age group.

The School Admissions Code December 2014 states “It is uncommon for children to be educated outside of their chronological year group. Most parents are happy for their child to start school in September following their fourth birthday.” Goring would consider the challenge of educating summer born children to be best addressed within the child’s normal age group through personalised learning.

Decisions on delayed admissions will be taken by the governing body, which is the admission authority for the school. The decisions will be made in line with the non-statutory advice from the Department for Education.

6.3 Multiple birth Applications (for example twins)

In the case of multiple birth applications, the Published Admission Number or admission limit will be exceeded or increased at the point of allocation in order to ensure that multiple birth siblings can be allocated places at the same school (the sibling definition still applies).

6.4 Children from Overseas

The Governors will process admission applications for children living overseas who have European Economic Area (EEA) citizenship, are United Kingdom (UK) citizens living abroad, or who hold an appropriate Home Office Visa at the time of application. All overseas applications will be considered according to the child’s home address at the time of submission unless proof of the child’s future UK address is provided with the application (see 6.6 Home Address). The only exceptions are children of UK Service personnel and other Crown Servants (including Diplomats) returning to the UK with a confirmed posting within the area.

6.5 Parent

A ‘parent’ in education law includes natural parents, whether they are married or not and a person other than the natural parent(s) who has parental responsibility or care of a child or young person. Having ‘care’ of a child or young person means that person who looks after the child and with whom the child lives, irrespective of what their relationship is with the child.

6.6 Home Address

For the purposes of school admission, the Governors’ definition of a child’s home address is considered to be where the child spends the majority of his/her time with the person(s) who legally have care of the child. For children

who live at two different addresses with separated parents, (who have parental responsibility), the Governors will require a joint parental declaration prior to the Application closing date stating the pattern of the child's residence. If no joint declaration is received or if no parental agreement can be reached then the address will be taken as the address where the child is registered with the doctor or from a Specific Issues Court Order stating which parent should make the application. In the absence of this evidence the Admissions Authority will determine the child's home address.

Documentary evidence of house ownership or a minimum six-month rental agreement at the time of application may be required, together with proof of the child's residence at the property concerned. Places will not be allocated on the basis of a future house move unless this can be confirmed through the exchange of contract or a signed formal lease agreement in place at the time of application. An address used for childcare arrangements cannot be used as a home address for the purpose of applying for a school place. The Governors may withdraw the offer of a school place if the child's home address is subsequently found to be fraudulent.

6.7 Withdrawing the Offer of a Place

The Governors will expect parents to confirm their acceptance of any place offered at the school. In the case of an in-year offer, the child must then be attending school within 10 days (2 school weeks) of the date of the offer letter. The Governors reserve the right to withdraw the offer of a place if these conditions are not met.
