### **RE: Helping our children to stay safe**

Dear Parent/Carer,

As the evenings are beginning to get darker as autumn starts to set in, we encourage you to discuss personal safety with your child, specifically:

- Road safety: looking and listening before crossing a road;
- Wearing high-visibility clothing if on a bike/scooter;
- Staying within well-lit areas;
- For parents - ensuring your child understands not to go anywhere with a person that they do not know, or with a person who they do know, unless agreed in advance with you, their parent/carer.

Please also note that if a sibling or other person is collecting your child, you must inform the school office so that the class teacher can be made aware. If a sibling is collecting a child, they must be 16 years or over and a responsible person.

Thank you for your support with this.

Yours sincerely,  
Mr L Graham  
Principal
