
The Big Teddy Takeover

On Friday 23rd June, our school took part in the Big Teddy Takeover, a fundraising day in support of Julia's House and Children's Hospice Week.

Julia's House is our local children's hospice, providing a lifeline of care for the most seriously ill children and their families across Swindon and Wiltshire.

We started our week with an assembly from Claudia, a community fundraiser, who explained how Julia's House look after and care for children, and what the money raised through taking part in the Big Teddy Takeover can do to support children and families who need the support of the hospice.

As a school, we raised almost £400 which is brilliant!

Our children also took part in a range of teddy related activities, including a teddy bear picnic.

Thank you to all of our children, parents and carers who supported this fundraising event.
