

## Long Term Planning Overview Year 2

Curriculum Area	Autumn (T1 & T2)	Spring (T3 & T4)	Summer (T5 & T6)
<b>Theme</b>	<b>The Great Fire of London – Term 1</b>  <b>Dragons – Term 2</b>	<b>Animals &amp; Habitats – Term 3</b>  <b>Caring for Others – Term 4</b>	<b>Explorers – Term 5</b>  <b>India – Term 6</b>
<b>Cultural Capital: trips, visits and experiences</b>	Workshop: The GFOL  Trip: Windsor/Warwick Castle	Trip: Cotswold Wildlife Park	Trip: Local visit – Mosque
<b>Cultural Days – SMSC &amp; British Values</b>	<b>Black History Month: Mary Seacole (1 day in October)</b>		
<b>English texts</b>	<b>Term 1</b> Toby & The Great Fire of London   <b>Term 2</b> Dragon Post 	<b>Term 3</b> Little Red and the Very Hungry Lion   <b>Term 4</b> The Bear and the Piano 	<b>Term 5</b> Dougal's Deep Sea Diary   <b>Term 6</b> Look Up Pattan's Pumpkin 
<b>Art &amp; Design</b>	<b>Surface &amp; Colour: Expressive Painting – The Great Fire of London (T1)</b>	<b>Explore &amp; Draw: Animal sketching inspired by Sean Briggs (T3)</b>	<b>Sculpture: 3D birds (T6)</b>
<b>Design Technology</b>	<b>Mechanisms – Making a moving dragon (pivots, levers &amp; linkages) (T2)</b>	<b>Freestanding structures: Hospital bed (link to FN and Crimea) (T4)</b>	<b>Farm to Food – Balanced diet (T5) <i>Link to science T4</i></b>

<b>History</b>	<b>Events beyond living memory: The Great Fire of London (T1)</b>	<b>Lives of significant individuals: Mary Seacole and Florence Nightingale (T4)</b>	<b>Exploration (T5)</b>
<b>Geography</b>	<i>No geography this term – taught in Spring and Summer terms</i>	<b>My habitat – a small localised study (school grounds &amp; surrounding environment) – human and physical features (T3)</b>	<b>Non-European study – India (T6)</b>
<b>Science</b>  <b>Working Scientifically MUST be taught using the Science Skills document.</b>  <b>A science skill should be taught at the beginning of every science lesson and applied to the learning later in the lesson. Skills should be re-visited regularly.</b>	<b>Working Scientifically</b> T1 – Asking a question (Scientific Enquiry) T1 – Collecting data – what is being measured/observed? (Scientific Enquiry) T2 – Asking a question that could lead to a fair test (Scientific Enquiry) T2 – Planning (Practical Investigation)  <b>Use of everyday materials: Materials Matter (T1)</b>  As scientists, we will: <ul style="list-style-type: none"> <li>Identify different everyday materials</li> <li>Explain what different everyday materials can be used for (wood, plastic, metal, water, rock, paper)</li> <li>Compare the suitability of everyday materials for a range of purposes (e.g. research into which material is the strongest, the most water-proof)</li> <li>Classify materials</li> <li>Set up a fair test to observe the suitability of everyday materials for a particular use (e.g. water proof or not)</li> </ul> TAPS – Waterproof (ask questions & plan an enquiry)	<b>Working Scientifically</b> <b>Re-visit skills from Terms 1 &amp; 2 and introduce:</b> T3 – Gathering Evidence (Practical Investigation) T3 – Sorting & Classifying (Communicating) T4 Notice Patterns and Relationships (Interpreting Evidence) T4 – Record Findings (Communicating)  <b>Living things and their habitats (T3)</b>  As scientists, we will: <ul style="list-style-type: none"> <li>Explore and compare the differences between things that are living, dead and things that have never been living or dead and can classify appropriately</li> <li>Know that living things live in habitats to which they are suited</li> <li>Know what a micro-habitat is and investigate what lives in one (e.g. woodlice under logs)</li> <li>Name and describe different habitats and know why they are suited to living things (e.g. woodland, pond, grassland)</li> <li>Know that habitats provide living things with what they need to survive</li> </ul>	<b>Working Scientifically</b> <b>Revisit skills from previous terms and begin to use with greater independence.</b> Use skills (as appropriate) to perform simple tests  <b>Plants (T5)</b>  As scientists, we will: <ul style="list-style-type: none"> <li>Understand the parts of plants and trees and why they are important to keep the organism living</li> <li>Observe and describe how seeds grow into plants</li> <li>Research and describe our findings to show why plants need water, light and a suitable temperature to grow (scientific enquiry)</li> <li>Set up a fair test to observe how a seed may grow</li> <li>Record observations and make simple conclusions to show our learning</li> </ul> TAPS – Compare Growth (observe & measure)

	<p><b>Use of everyday materials: Changing shape (T2)</b></p> <p>As scientists, we will:</p> <ul style="list-style-type: none"> <li>Find out how the shapes of solid objects made from some materials can be changed by squashing, bending, twisting and stretching</li> </ul> <p>TAPS – Materials Hunt – ADAPT TO ABOVE OBJECTIVES BUT KEEP SKILL (record)</p>	<ul style="list-style-type: none"> <li>Know what a simple food chain looks like and how it works, constructing our own food chain</li> </ul> <p>TAPS – Living &amp; non-living (interpret &amp; report)</p> <p><b>Animals, including humans (T4)</b></p> <p>As scientists, we will:</p> <ul style="list-style-type: none"> <li>Learn that animals, including humans, have offspring which grow into adults</li> <li>Describe how a baby grows into an adult (stages of life – baby, toddler, child, teenager, adult)</li> <li>Find out about and describe the basic needs that humans and animals need to survive (water, food and air)</li> <li>Describe the importance of a healthy diet</li> <li>Describe the lifecycle of another species (e.g. chick or butterfly)</li> <li>Describe the importance of exercise and how this helps us</li> </ul> <p>TAPS – Handspans (evaluate)</p>	<p><b>Famous scientists, their findings and impact – David Attenborough &amp; Greta Thunberg (T6)</b></p> <p>As scientists, we will:</p> <ul style="list-style-type: none"> <li>Find out about the life, work and impact of the environmentalists, David Attenborough and Greta Thunberg</li> </ul> <p>TAPS – Daisy Footprints (set up an enquiry)</p>
<p><b>Computing</b></p>	<p><b>Online Safety: Self-image and Identity (T1)</b></p> <ul style="list-style-type: none"> <li>Explain how other people may look and act differently online and offline.</li> <li>Give examples of issues online that might make someone feel sad, worried, uncomfortable or frightened; I can give examples of how they might get help.</li> </ul> <p><b>Online Relationships (T1)</b></p> <ul style="list-style-type: none"> <li>Give examples of how someone might use technology to communicate with others they don't also know offline and explain why this might be risky. (e.g. email, online gaming, a pen-pal in another school / country).</li> </ul>	<p><b>Online Safety: Online Bullying: (T3)</b></p> <ul style="list-style-type: none"> <li>Explain what bullying is, how people may bully others and how bullying can make someone feel</li> <li>Explain why anyone who experiences bullying is not to blame</li> <li>Talk about how anyone experiencing bullying can get help.</li> </ul> <p><b>Managing Online Information (T4)</b></p> <ul style="list-style-type: none"> <li>Use simple keywords in search engines</li> <li>Demonstrate how to navigate a simple webpage to get to information I need (e.g. home, forward, back buttons; links, tabs and sections).</li> <li>Explain what voice activated searching is and how it might be used, and know it</li> </ul>	<p><b>Online Safety: Health, Well-being and Lifestyle (T5)</b></p> <ul style="list-style-type: none"> <li>Explain simple guidance for using technology in different environments and settings e.g. accessing online technologies in public places and the home environment.</li> <li>Say how those rules / guides can help anyone accessing online technologies</li> </ul> <p><b>Privacy and Security (T6)</b></p> <ul style="list-style-type: none"> <li>Explain how passwords can be used to protect information, accounts and devices.</li> <li>Explain and give examples of what is meant by 'private' and 'keeping things private'</li> </ul>

- Explain who I should ask before sharing things about myself or others online.
- Describe different ways to ask for, give, or deny my permission online and can identify who can help me if I am not sure.
- Explain why I have a right to say 'no' or 'I will have to ask someone'. I can explain who can help me if I feel under pressure to agree to something I am unsure about or don't want to do.
- Identify who can help me if something happens online without my consent.
- Explain how it may make others feel if I do not ask their permission or ignore their answers before sharing something about them online.
- Explain why I should always ask a trusted adult before clicking 'yes', 'agree' or 'accept' online

#### Online Reputation (T2)

- Explain how information put online about someone can last for a long time.
- Describe how anyone's online information could be seen by others.
- Know who to talk to if something has been put online without consent or if it is incorrect.

#### Computing Systems and Networks- IT Around Us (T1)

- To recognise the uses and features of information technology
- To identify information technology in the home
- To identify information technology beyond school

- is not a real person (e.g. Alexa, Google Now, Siri).
- Explain the difference between things that are imaginary, 'made up' or 'make believe' and things that are 'true' or 'real'
- Explain why some information I find online may not be real or true.

#### Creating Media – Making Music (T3)

- To say how music can make us feel
- To identify that there are patterns in music
- To describe how music can be used in different ways
- To show how music is made from a series of notes
- To create music for a purpose
- To review and refine our computer work

#### Data and Information – Pictograms (T4)

- To recognise that we can count and compare objects using tally charts
- To recognise that objects can be represented as pictures
- To create a pictogram
- To select objects by attribute and make comparisons
- To recognise that people can be described by attributes
- To explain that we can present information using a computer

- Describe and explain some rules for keeping personal information private (e.g. creating and protecting passwords).
- Explain how some people may have devices in their homes connected to the internet and give examples (e.g. lights, fridges, toys, televisions).

#### Copyright and Ownership (T6)

- Recognise that content on the internet may belong to other people.
- Describe why other people's work belongs to them

#### Programming A – Robot Algorithms (T5)

- To describe a series of instructions as a sequence
- To explain what happens when we change the order of instructions
- To use logical reasoning to predict the outcome of a program (series of commands)
- To explain that programming projects can have code and artwork
- To design an algorithm
- To create and debug a program that I have written

#### Programming B – Programming Quizzes (T6)

- To explain that a sequence of commands has a start
- To explain that a sequence of commands has an outcome
- To create a program using a given design
- To change a given design
- To create a program using my own design
- To decide how my project can be improved

	<ul style="list-style-type: none"> <li>To explain how information technology benefits us</li> <li>To show how to use information technology safely</li> <li>To recognise that choices are made when using information technology</li> </ul> <p><b>Creating Media – Digital Photography (T2)</b></p> <ul style="list-style-type: none"> <li>To use a digital device to take a photograph</li> <li>To make choices when taking a photograph</li> <li>To describe what makes a good photograph</li> <li>To decide how photographs can be improved</li> <li>To use tools to change an image</li> <li>To recognise that photos can be changed</li> </ul>		
<p><b>Religious Education</b> <i>Discovery RE</i></p>	<p><b>Christianity – What did Jesus teach? (T1)</b> Is it possible to be kind to everybody all of the time?</p> <p><b>Christianity – Christmas: Jesus as a gift from God (T2)</b> Why did God give Jesus to the world?</p>	<p><b>Islam – Prayer at home (T3)</b> Does praying at regular intervals every day help a Muslim in his/her everyday life?</p> <p><b>Christianity – Easter: Resurrection (T4)</b> How important is it to Christians that Jesus came back to life after His crucifixion?</p>	<p><b>Islam – Community and belonging (T5)</b> Does going to mosque give Muslims a better sense of belonging?</p> <p><b>Islam - Hajj (T6)</b> Does completing Hajj make a person a better Muslim?</p>
<p><b>PSHE</b> <i>Jigsaw</i></p>	<p><b>Being Me in My World (T1)</b> In PSHE, we will:</p> <ul style="list-style-type: none"> <li>Identify our hopes and fears for the new year</li> <li>Recognise when we feel worried and identify who to ask for help</li> <li>Understand the rights and responsibilities of being in our class and school</li> <li>Discuss how to make our class a safe place</li> <li>Discuss choices, rewards and consequences</li> </ul>	<p><b>Dreams and Goals (T3)</b> In PSHE, we will:</p> <ul style="list-style-type: none"> <li>Choose a realistic goal and discuss how to achieve it</li> <li>Discuss things we have achieved and how this made us feel</li> <li>Learn how to persevere when we find things difficult</li> <li>Identify our own strengths as learners</li> <li>Recognise who we work well with, and who we struggle to work with</li> <li>Learn how to work well in a group and be able to identify why</li> </ul>	<p><b>Relationships (T5)</b> In PSHE, we will:</p> <ul style="list-style-type: none"> <li>Identify the different members of our families and understand our relationship with each of them</li> <li>Identify why sharing and cooperation is important</li> <li>Recognise that everyone's family is different</li> <li>Understand that there are acceptable and non-acceptable types of touch within a family</li> </ul>

- Understand how following a learning charter will help us to learn
- Learn how to work cooperatively

### **Celebrating Difference (T2)**

In PSHE, we will:

- Discuss assumptions and stereotypes about boys and girls
- Understand ways boys and girls are similar and different
- Understand that bullying can be rooted in difference
- Identify how someone who is being bullied may feel
- Recognise right and wrong, and understand how and when to stand up for ourselves
- Recognise that it is ok to be different from others and that we shouldn't judge others for being different
- Identify ways we are different from our friends

- Learn how to share our successes with other people

### **Healthy Me (T4)**

In PSHE, we will:

- Identify how to keep our bodies healthy
- Understand what relaxed means and identify things that help us to relax
- Understand how medicines work and identify how to use them safely
- Recognise which group different foods belong to and which ones we need to be healthy
- Identify which foods we enjoy most
- Make healthy snacks and understand why they are healthy
- Discuss how it feels to share healthy food with our friends
- Identify which foods give our bodies energy and nutrition

- Identify which types of touch we like and don't like
- Identify some causes of conflict with our friends
- Demonstrate the positive problem-solving technique to resolve conflicts
- Understand that sometimes it is good to keep a secret and sometimes it is not
- Discuss how it feels to keep a secret and identify who to talk to if we feel worried
- Recognise and appreciate people who help our families, school and community
- Identify how trust feels
- Express appreciation for people in our special relationships and learn how to accept appreciation from others

### **Changing Me (T6)**

In PSHE, we will:

- Recognise life cycles in nature
- Understand that some changes are outside our control and discuss how we feel about this
- Understand the process of growing from young to old and that this is out of our control
- Identify people we respect who are older than us
- Recognise how our bodies have changed since we were babies
- Recognise the physical differences between boys and girls, using the correct names for private body parts
- Recognise that some parts of our bodies are private
- Discuss what we like and dislike about being a boy/girl
- Understand that there are different types of touch and identify which we like and dislike
- Identify what we are looking forward to when we move to our new class

			<ul style="list-style-type: none"> <li>Discuss what changes we will make next year and how we can achieve them</li> </ul>
<b>Music</b>  <i>Charanga</i>	<b>Hands, feet, heart (T1)</b>  <b>Ho Ho Ho (T2)</b>	<b>I want to play in a band (T3)</b>  <b>Zootime (T4)</b>	<b>Friendship song (T5)</b>  <b>Reflect, rewind and replay (T6)</b>
<b>PE</b>	<b>Real PE (Personal) FUNS &amp; Gymnastics (T1)</b>  <b>Real PE (Cognitive) FUNS &amp; Dance (T2)</b>	<b>Real PE (Creative) FUNS &amp; Tri-Golf (T3)</b>  <b>Real PE (Creative) FUNS &amp; Yoga (T4)</b>	<b>Real PE (Physical) FUNS &amp; Gymnastics (T5)</b>  <b>Real PE (Health &amp; Fitness) FUNS &amp; Athletics (multi-skills) (T6)</b>
