**School  
Keep  
Clear  
No Stopping  
No Excuses**

## What are School Keep Clear markings for?

For safety – to restrict parking so that pedestrians, especially school children wishing to cross, have a clear view. They also help drivers, who are often unable to see small children waiting to cross between parked cars.

No parking, waiting, loading/unloading, dropping off or picking up passengers is permitted on a School Keep Clear marking during its controlled hours.

**Blue Badge Holders are NOT exempt from this restriction.**

## Have you considered these alternatives?

### Try 'Park and Stride'

Park away from the school entrance and walk the last 5-10 minutes. (Your school may already have a '5 minute walk zone' marked out.) This disperses the cars and reduces the number in any one place to a safer level.

Walking half a mile only takes between 8 and 15 minutes. How many calories you burn depends on how fast you walk!

### Try car-sharing

If you have to drive to school then get together with other parents who need to go by car and take it in turns to drive.

You could start by doing any of these just once or twice a week.

**Did you know that walking to and from school every day of the week burns as many calories as two whole hours of PE! When we are walking with others they are keeping fit, healthy and reducing pollution too!**
