

Dear Parents and Carers,

As the festive season approaches, we're gearing up for a special, FREE, Christmas Jumper Gift Day. To make this event extra merry, we're reaching out to generous souls like yours to kindly consider donating gently used or new, Children and Adult, Christmas jumpers. Your contribution will not only spread holiday cheer but also support our community spirit.

Please bring in your Christmas jumpers and hand them to your teachers from now, until the 21st November.

On the 23rd November, we will have them all in the hall for you too look through, and find a new one for your children. Please only take what you need. Donations for FOGS are appreciated, but not necessary.

More information on timings to follow.

Thanks, as always, for your continued support,

The FOGS team.
