29th April 2026

Dear Parents and Carers,

I am writing to let you know about a proposed change to the Grange Infants School uniform and to invite your feedback.

The proposal is for Grange Infants to move from a **burgundy jumper to a green jumper**, matching Grange Junior School. Moving forward the **junior shield logo (without text)** will be used by both schools to create a consistent identity. The schools have expressed that there is heritage linked to maintaining the junior logo, and aligning the two uniforms supports a more unified experience for families. This move will help create consistency between the two schools and allow families to use uniform items for longer as most pupils move on to the junior school.

Before we confirm next steps, we are running a **two-week consultation** to gather your views.

Consultation period:

The consultation will take place from **Thursday 30th April to Thursday 14th May 2026**.

Feedback can be sent to: admin@grange-inf.swindon.sch.uk or admin@grange-jun.swindon.sch.uk

There is **no change to the uniform supplier** and **branded uniform is not compulsory**. Families will be able to buy non-logo green jumpers from other shops. If the change goes ahead, there will be a **transition period** where current uniform can be worn for an agreed timeframe.

After the consultation closes, all feedback will be reviewed, and we will share next steps with all families.

Thank you for taking the time to share your views.

Kind regards,

Mrs Hannah Gordon
Headteacher
Grange Infant and Junior School
