Dear Parents and Carers,

We have reassessed our drop off and pick up points for Reception and we have determined that it would be beneficial to have both classes coming through the green gates by the reception class where Donaldson is currently coming through.

We would like to ask for the children to line up ready for the teachers to pick up, inside the gates. There will be two cones, one for each class, for them to line up. Teachers will collect from there at 8:15 am.

Thank you for your support, this will also help with some of our children that find it difficult to come in to school in the morning.

We also have a new member of the team starting with us on Monday. As a teaching school and part of the Bath Spa cluster for trainees, we do have trainees join us for placements to learn from our exceptional teachers in the school. Miss Barry will be joining the team for the next 3 terms. She will be working with all children across the Reception cohort and is very much looking forward to starting her placement with us. She will be working alongside both Mrs Ambrose and Miss Webb while she completes her placement. Your child's class teacher will still be in class teaching as normal.

Thank you for your continued support

EYFS team
