Dear Parents and Carers,

September Transition for EYFS

I hope your children have enjoyed the transition days so far and that they loved meeting their teachers and TA's ready for September. I know our staff certainly enjoyed meeting your little stars. EYFS children will start with us on the **5th September 2023**. They will be transitioned into the school over 3 weeks so that teachers and TA's build up a relationship with the children and get to know them on a personal level.

Week beginning 5th September (4th is a school TD day)

Both Donaldson, Rosen and Alhberg Class will start at 8.20am but have separate entrances to the unit. Donaldson and Alhberg will enter through the green gates (same as on transition days) and Rosen through the small black gates and in through the side entrance door. Teachers and TA's will meet the children at these gates and welcome them into the classroom. **This week will finish at 12.15pm for all classes.** Parents will need to pick them up from their designated gates.

Week beginning 11th September

Children will start at the same time as above and come through their usual gates. **This week they will stay for lunch and finish their day at 1.15pm. Parents to pick up at their gates.** This week children can have school dinners or bring a packed lunch. Meals will need to be booked through ParentPay a week in advance. You will receive an email in the coming weeks to advise you to activate your ParentPay account and instructions for ordering dinners. Please action this promptly as dinners for this week will need to be booked by 5th September.

Week beginning 18th September

Children will start at the same times and come through their usual gates. **They will now be full time from this week.**

If you haven't already done so, please register your child for milk, via the Cool Milk website if you would like your child to have milk in school. Please put their start date as 5th September.

One last thing! During their home visits, we will be sending home your summer pack for your child to tell us all about their own adventures over the holidays. You can do as little or as much as you wish and we advise a little each week. The book will then be shared with the class and teacher in September so the children can share all the fabulous adventures in school. We will also be informing you of your child's class teacher and TA at this point as well.

If you need further information, regarding uniform etc please go to our website **www.grange-inf.swindon.sch.uk**.

Thank you for your continued support.

Mrs Elly Rushen-Gough
Principal
