

Global Day of Parents!

Dear Parents/Carers,

On Tuesday 6th June we are celebrating Global Day of Parents! This is a day to honour parents and carers, and their commitments to their Children. We appreciate that families look different to each of our children and wanted an inclusive environment, for all families to be celebrated.

We would love you to join us at the Infants school for an afternoon of crafting with your child. Parents/Carers to arrive at the school at 2pm where you will be able to join your child in a range of arts and craft activities.

We will hopefully be having tables set up outside, so make your way to the field gates from 1.45pm and activities will start at 2pm. If the weather isn't on our side, the crafts will take place in your child's classroom, where younger siblings will be able to join older siblings.

We have also arranged for Glamo Rose Cake van to make an appearance from 2:30pm with a range of delicious cup cakes to purchase. We will let you know closer to the time where they will be located. We know you loved having them with us last term, and don't want anyone missing out.

There will be a charge of £3 per child to join in with this event to cover the cost of the crafts and to raise money for the school. Your child will be able to take home the items that you have both crafted together as a keepsake. Whether they choose to gift it to you, is up to them... We know how possessive our children can be of their creations!!
