## Dear Parents and Carers,

We wanted to take this opportunity to share with you the wonderful work that the Parent Teacher Association (PTA) at Grange Infants School, also known as "Friends of Grange School (FOGS)", do to support our school community.

The PTA play a vital role in enhancing the educational experience of our children at Grange Infants School. One of the significant ways in which FOGS supports our school is by organising various fundraising activities throughout the year. These funds raised by FOGS are used to better the school environment, facilities, and resources for the benefit of our children, such as the enchantment garden and sensory room.

We are incredibly grateful for the commitment and effort put forth by the members of FOGS in making a difference in our school community. We encourage all parents and carers to get involved in supporting the PTA and its initiatives, whether through volunteering, attending events, or contributing to fundraising efforts.

As you know, we are an active school and would really love to provide the children with a running track on the field, so that they can complete their golden mile and many more activities in an enriching environment. Therefore, we have asked if FOGS can have this as their next fundraising project.

The dedication and hard work of the PTA members have allowed us to provide additional resources, equipment, and opportunities that directly impact the learning and development of our pupils. From supporting enrichment programs to contributing to playground upgrades, FOGS enables us to create a more engaging and stimulating environment for our children to thrive.

Together we can continue to build a stronger, more enriching educational experience for our children at Grange Infants School which we couldn't do without the help of volunteers.

FOGS are currently looking for a new Infants Chair, as the current FOGs Chair is stepping down in September. **If organising events, volunteering at events and seeing children smile is something you're interested in, the FOGS team would love to hear from you.** They are a close team, which consists of a Chair, two Vice Chairs and a Treasurer and lots of parent volunteers. You would be guided and supported by the existing team in your role. **For more information, please contact them on their Facebook page or by emailing [fogschools@outlook.com](mailto:fogschools@outlook.com).**

Thank you for your ongoing support.

Warm regards,

Grange Infants School
