

I love spending time with Bailey going for long walks and getting lots of cuddles

While on our travels I like to get out on the water on my paddle board.
And sometimes fall in!

Spending time with my family is the most important thing to me!

Mrs Arthur

You can't beat a good cup of tea with slice of cake.

I can be found on a Netball court most Saturdays. It's great for spending time with my friends and keeps me fit at the same time.

Traveling the country in our camper van is a great way to explore and see beautiful sunsets and sunrises.
