

I love family days out with my husband and my little girl. We love going to the park, the beach and swimming.

I love eating macaroni cheese and white chocolate Maltesers, but maybe not together!

Mrs Potts

I love listening to music and singing in the car. My favourite song is 'Ocean Eyes' by Billie Eilish.

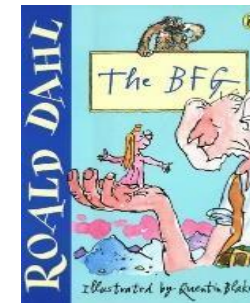

I love to dance West Coast Swing and Modern Jive and I go to competitions for this when I can.

I love to bake different cakes and make desserts. My mum's chocolate brownie recipe is my favourite cake to make.

I recently moved to Wiltshire after being in Essex/East London all my life. I am enjoying exploring new places.

My favourite children's story book is 'The BFG' by Roald Dahl. I read it 11 times in one year once!
