Dear Parents/ carers,

We have a new member of the team starting with us on Monday. As a teaching school, we have trainees and apprentices join us for placements to learn from our exceptional teachers in the school. Mrs Owen will be joining the team for this term in Walliams class. Mrs Owen has a wealth of experience in teaching already and has come to us from The Croft Primary school who is also part of the federation. She has been getting to know the children already and is very much looking forward to starting her placement with us. She will be working alongside Mrs Rudman while completing her apprenticeship with us.
