Number Day – Friday 3rd February 2023

Dear Parents/Carers,

On Friday 3rd February we will be celebrating Number Day. The focus will be Maths through stories. The children will have a morning of maths where they will take part in lots of fun, stimulating maths activities based on a book.

On this day we would like the children to come dressed in a number outfit. You may already have clothes with numbers on which your child can wear, or you could make your own maths creation. This could be a decorated t-shirt, number hat, old t-shirt/ leggings, or trousers which you decorate with maths vocabulary, shapes, calculations etc. Have fun and be creative!

Please find below some examples of maths outfits to provide inspiration.

Thank you for your continued support.

Mrs Moran

Maths Subject Leader
