Dear Parents/Carers

Year 1 Trip to Winchester Science Centre & Planetarium

As part of the curriculum, we would like to take our year 1 classes to Winchester Science Centre & Planetarium. Details are as follows.

When: Wednesday 17th June 2026

Time: Leaving school at 8:30am and returning by 3:15 pm

The cost of the trip will be £28.02. Please note that this contribution is voluntary, and your support is sincerely appreciated. However, we hope you can acknowledge that we can only proceed with these trips if the associated costs are met.

In the event that insufficient contributions are received and the trip is unable to go ahead, parents and carers will be notified prior to the scheduled date, and full refunds will be issued to all who have contributed.

Payment for the trip can only be made via the trip section on the Arbor App. Monies should be paid by Sunday 31st May 2026.

Uniform/Clothing: School uniform to be worn. Depending on the weather, they will need a sunhat and sun cream/raincoat. Sensible/ comfortable footwear should be worn.

Lunch Arrangements: If you would like your child to be provided with a school packed lunch, please log in to your Arbor account and select either 'Cheese' or 'Ham' baguette on this date. If you would like your child to have a packed lunch from home, please cancel any dinner bookings on Arbor on this date.

Please also provide snacks to last throughout the day and two drinks (preferably water, not fizzy or milk based). A drink is not included in the school provided packed lunch. They will be required to carry all their things with them all day, so please provide a small backpack.

Travel Sickness: If your child suffers from travel sickness, please give them medication before they leave. If they need medication for the return journey, please hand the medication to a member of staff, in a named, sealed envelope with written instructions.

Additional info: This term, we are learning all about Space. Therefore, we want to immerse your children into what it feels to be in space, having the experience to 'Look Up' through a real gigantic telescope and explore what is it like to be an astronaut.

Children should not bring any money with them as there will **not** be an opportunity to go to the gift shop.
