Dear Parents and Carers,

### **OFSTED REPORT**

Following the inspection of Grange Infants School by Ofsted on 28<sup>th</sup> and 29<sup>th</sup> June 2023, we are very pleased to inform you that our report is now ready to be shared with you all. It will be released by Ofsted in the coming days on their website.

We are absolutely delighted to be able to inform our parents and stakeholders, that Grange Infants' School has been judged as a 'GOOD' school across all areas.

This is a significant improvement from the schools previous Ofsted inspection in 2018, prior to converting to the the White Horse Federation. The inspection was a 2 day inspection and thoroughly analysed all aspects of the curriculum and school life.

We are incredibly pleased that the Ofsted inspection team highlighted the fact that: *'Grange Infants is a welcoming and friendly school and that leaders and staff ensure that pupils follow the school's motto, 'Don't just fly, Soar!'*

This is something that we always want our children to achieve and that their ambition to achieve should be boundless. We are also incredibly proud that the inspection team also highlighted the fact that Grange Infants *'have created an ambitious curriculum'* for our pupils. Our pupils were absolutely a credit to the school during the two days and we couldn't have been prouder of them all!

Our 'GOOD' inspection grading is a real testament to everyone working hard together, dedication to getting it right for the children and our shared vision for the school. We also want to thank all our wonderful parents for their support and continued commitment to the school and their children's education.

Thank you for your continue support
