

Grange Federation Sports premium report 2017-2018

At Grange Federation we recognise the contribution of PE / Sports to the health and well-being of our children. It is our belief that an innovative, varied PE curriculum and inviting extra-curricular opportunities have a positive influence on the concentration, attitude and academic achievement of all our children. The continued allocation of the Primary Sports Funding will enable us to develop and extend our provision for high quality PE / Sports experiences for our students through;

- ✓ Employing additional specialist sports coaches to supplement our PE / Sports curriculum
- ✓ Providing high quality professional development opportunities for all teaching staff
- ✓ Providing all children with the opportunity to engage in competitive sports and competitions
- ✓ Supporting a developing understanding within our children of the importance of healthy lifestyles

How the improvements will be sustainable across the Federation in the future

- The school is committed to funding PE and Sports development in order to maintain the quality of provision already established.
- Staff that have been up skilled through Team Teaching with our external providers will be used to disseminate skills, support with planning and run after school clubs.
