Dear Parents / Carers,

We are pleased to again offer FREE Bikeability Level 2 on-road training for our Year 6 classes in 2025.

We have booked training in Term 3, February 2025 with our local provider, Life Cycle. If you wish your child to take part in this training, please complete your consent online via the link / QR code below.

Please do this as soon as possible and by the very latest Friday 20/12/2024 (last day of term) to allow us to confirm the training dates with Life Cycle.

Once you have submitted your consent you will be able to receive helpful information by email about the Bikeability training and how to prepare your child and their cycle. We will let you know nearer the time what days your child's training will take place.

If your child has not done much cycling recently, we'd recommend that you encourage them to practise and check the saddle in case it needs to be raised.
