CORONATION CELEBRATIONS

FRIDAY, 5TH MAY 2023

Our Pupils will be enjoying a day of Coronation Celebrations!

We will be learning about the rich history of the Coronation and its significance in British culture. We will be focusing on the eco work that the monarch does, and each class is planning something special around this theme. We can't wait for our whole school picnic lunch- Fingers crossed for good weather!

Don't forget you can come dressed in something red, white, or blue for the day and every child will receive a souvenir kindly donated by FOGS.
