

I love to visit the beach with my friends and family. I love to feel the sand between my toes.

I love a cup of tea, especially first thing in the morning.

Spending time with friends and family absolute favourite of mine.

Camping is enjoyed by my family.

Mrs Rudman

One of my most favourite things to do is read. I have lots of books to share.

Mittens and Smudge are my cheeky cats. I love to cuddle and play with them!
