

Grange Junior School Sports Premium Funding – Action Plan 2021-2022

At Grange Junior School we recognise the contribution of PE / Sports to the health and well-being of our children. It is our belief that an innovative, varied PE curriculum and inviting extra-curricular opportunities have a positive influence on the concentration, attitude and academic achievement of all our children. The continued allocation of the Primary Sports Funding will enable us to develop and extend our provision for high quality PE / Sports experiences for our students through;

- ✓ Employing additional specialist sports coaches to supplement our PE / Sports curriculum
- ✓ Providing high quality professional development opportunities for all teaching staff
- ✓ Providing all children with the opportunity to engage in competitive sports and competitions
- ✓ Supporting a developing understanding within our children of the importance of healthy lifestyles

Amount of Grant Received: £ 21,746.82 (£2386.82 carried over from 2021)

Date: July 2021

The government is providing additional funding of £150 million per annum for academic years 2013 to 2014, 2014 to 2015, 2015 to 2016, 2016 to 2017 and doubling the provision for 2017 to 2018 and 2018 to 2019, to improve provision of physical education (PE) and sport in primary schools. This funding – provided jointly by the Departments for Education, Health and Culture, Media and Sport – will be allocated to primary school head teachers. This funding is ring-fenced and therefore can only be spent on provision of PE and sport in schools.

Eligible schools Funding for schools will be calculated by reference to the number of primary-aged pupils (between the ages of 5 and 11), as recorded in the annual schools census in January 2018.

Purpose of funding Schools must spend the additional funding on improving their provision of PE and sport, but they will have the freedom to choose how they do this.

Possible uses for the funding might include:

- hiring specialist PE teachers or qualified sports coaches to work with primary teachers when teaching PE
- supporting and engaging the least active children through new or additional Change4Life clubs
- paying for professional development opportunities for teachers in PE and sport
- providing cover to release primary teachers for professional development in PE and sport
- running sport competitions, or increasing pupils' participation in the School Games
- buying quality assured professional development modules or materials for PE and sport
- providing places for pupils on after school sports clubs and holiday clubs pooling the additional funding with that of other local schools.

Meeting national curriculum requirements for swimming and water safety.	
<p>What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres?</p> <p>N.B. Even though your pupils may swim in another year please report on their attainment on leaving primary school at the end of the summer term 2020.</p>	64%
What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?	60%
What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?	78%
Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?	No

What is the Sport Premium Funding?

Schools must use the funding to make additional and sustainable improvements to the quality of PE and sport that it offers.

This means schools should use the premium to:

- develop or add to the PE and sport activities that your school already offers
- build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years

Key achievements to date:

- Excellent attainment levels of majority of children including an increasing number working above ARE.
- The school provides a large and varied number of after school sports clubs (including – football, dance, gymnastics, rounders, multisport, quid itch) which are well attended by children from all year groups.
- The profile of sport in Grange Junior School is very high and successes are celebrated in newsletters, on a designated board and in celebration assemblies.
- Sports leaders have been enlisted and coached to soon lead, manage and officiate school game activities
- Lunchtime and after school clubs have increased participation
- Sports leaders and ambassadors have been chosen and are being trained up

Areas for further development and baseline evidence of need:

- Ensure sports leaders are engaging in leading, managing and officiating school game activities
- To develop the provision of Outdoor Education on the school grounds
- Look at how assessment is carried out. PE coordinator to moderate assessment with PE teachers.
- Collect accurate data on participation levels of ALL children in the school.
- Further increase participation levels of children by providing lunchtime and after school clubs and activities.
- To provide CPD opportunities for members of staff to increase levels of confidence and subject knowledge.
- To increase fitness levels of all children.

How will Grange Junior School be allocating the funding?

We have been allocated £ 21,746.82. We are using 15% of the funds to pay for Real PE (Jasmine) a Primary PE scheme of work to support teachers with lesson plans, subject lead training and whole school training.

They scheme provides:

- Detailed lesson plans with supporting videos for demonstrations to support the acquisition of skills and build upon the core fundamental movement skills.
- Tools for assessment to enable ore focused knowledge of attainment.

- Structure and progression across the school using cogs.
- Child centred approach to develop children’s love for PE.
- Focuses on the development of agility, balance and coordination, healthy competition and cooperative learning .
- Fulfils new Health Education requirements for the relationships and health curriculum

We are using the remaining 85% of the funds to:

- Continue and further develop the many sporting enrichment opportunities we offer out of school hours for all the children e.g. Gymnastic Club, football club, performing arts
- Offer a range of different sporting enrichment opportunities during PPA sessions
- Provide release cover for staff to attend CPD
- Provide release cover to develop outdoor adventurous opportunities
- Offer our children a range of adventurous and outdoor opportunities both as an individual and as part of a team.
