Ofsted Inspection Report for Grange Junior School

Dear Parents and Carers,

I am pleased to inform you that our Ofsted Report from our two-day inspection in May is now available to share with you and will be released by Ofsted in the coming days.

I am absolutely delighted to share with you that Grange Junior School has been judged to be a GOOD school and has been graded GOOD in all areas.

This is a significant improvement on the previous inspection in 2018. The inspection was thorough and robust and looked at various aspects of the school. I am particularly pleased that the inspection team recognised the ambition we have for the school and all our pupils and the extensive work we have undertaken around our curriculum.

We are always incredibly proud of our children and never more so than during the inspection. Our pupils were a credit to the school and as the report clearly shows spoke confidently and with pride about their school.

The positive outcome of this inspection is one that we should all feel very proud of. It is testament to everyone's hard work and shared vision for the school. It is also the result of the continued support that we receive from The White Horse Federation, our Local Governing Body and you, our parents and carers – thank you!

Your sincerely,

Mrs H Gordon
Headteacher
