Your last chance to have your say for 2023: The Annual SEND Survey

The deadline for the Annual SEND Survey is **Friday 15th December**, so this week is the last chance to give us your feedback. We really want to hear your views in order to improve our SEND Services in the future, so please take 5 minutes to complete it whilst you still can!

The purpose of this survey is to ensure we have a way of annually measuring opinions and experiences of young people, parents and carers who use Special Educational Needs and Disabilities (SEND) services in Swindon and also the professionals who deliver help, advice and support.
