

Grange Junior School

Round Up Term 6 – Issue 6 – 2024

Termly Value – Reflection

Year 3

This week in year 3, we have been writing our eyewitness reports from the view point of a farmer from the story 'The Iron Man.' We have been working hard to make sure we are including adverbs of time, subordinating conjunctions and the past progressive tense.

In geography, we have looked at the different ways our rivers can be polluted and designed a poster to advise people on the dangers and how to keep them clean. In PSHE, we have looked at the words 'stereotyping' and 'prejudice' and designed a set of bedcovers so that it could be suitable for both girls and boys. In French, we have continued learning the different names of animals and have been improving our pronunciation.

Year 4

This week in year 4, we have been adding to our vocabulary in French. We can now order ice creams in full sentences and ask for it in a bowl or a cone.

In science, we all did an experiment to test the best material for keeping water warm for the longest. We tested a variety of materials and recorded our information in a scientific table.

In writing, we have continued recapping the different skills. We have looked at what features are in a diary entry and had a go at putting subordinate clauses at the end of our sentences.

In PE, we had a great rounders tournament on Thursday where the children are really developing their skills.

Year 6

This week in year 6 we have been practicing our year 6 production. This week we have been focusing on Stage presence and how to make a scene more effective with the use of props.

In maths the children have been looking at area of parallelograms and triangles, they have been using all of the skills taught this year around 2d shapes to successfully solve these questions. They have also been learning about earthquakes and their links to the changes on our planet, they were very enthusiastic and asked many questions.

The year 6 team want to give a big thank you to all of year 6 for their dedication to the production this week.

Year 5

This week in Year 5 we have been planning our writing. We have collected all the gold-coloured items we could think of and made them into expanded noun phrases. We have also collected verbs to help us with our instruction pamphlet.

In Mathematics we have completed an arithmetic paper, interpreted information from graphs.

In Computing, we were designing the flow of a program that contains 'if... then... else...' using Scratch. If the answer is correct, then the programme does this, or else the programme does that if the answer is incorrect!

FAMILY PICNIC REMINDER - FRIDAY 19TH JULY

On Friday 19th July all parents / carers are invited to bring a picnic lunch to have with child/ren and teachers on the school field. Parents entry will be via the Community Centre school gates between 11:45am and noon. We look forward to seeing everyone.

YEAR 6 PRODUCTION – WHOLE SCHOOL PERFORMANCE & TICKET REQUESTS

On Monday 15th July the whole school will have an opportunity during the school day to watch the year 6 production of Ali Baba and the Bongo Bandits. We are so proud of how hard they have worked and cannot wait to be the first ones to see and support the performance on Monday before the parents, carers and families come later in the week.

Also we still have some tickets available for the Year 6 production across all 3 performances times should you wish for any additional tickets or have not yet requested any. Please contact the school office if you would like any more.

PUPIL SHOUT OUT

A massive well done to Dylan in Year 4 for performing in front of the panel of Masters and achieving his Deputy Black belt in martial Arts. He is now working towards his Black belt! What an achievement.
