

Grange Junior School

Round Up Term 6 – Issue 7 – 2023

Year 3

Year 3 have had an exciting last full week of school this week.

We have been creating read and roll stories about pirates, ghosts, Minecraft and superheroes. In writing, we have been doing a poetry week. Children have been writing calligrams (shape poems), kennings, rhyming poems and limericks. We even had a poetry slam on Friday where children could read their best poem aloud. In maths, children have been finishing off their statistics unit by drawing and reading bar charts, data tables including tally charts and pictograms. In science, we have been learning about Nikola Tesla and which inventions he helped create!

Year 4

As the term comes to an end, we have the chance to reflect on our time in Year 4. As we have looked back at children's books from September, it so clear to see how far they have come. They have shown great resilience and bravery in their learning and have risen to the academic and non-academic challenges provided. The children have continued to develop their self-motivation and passion for learning. Beyond the classroom, in the Autumn Term, we started our year by visiting Windsor Castle where our learning on British Monarchs came to life. To culminate our time in Year 4, we have been lucky enough to share in our activities week. We wish the children the best of luck as they move into Year 5 and can not wait to follow their continued success.

Year 6

It's our last full week in junior school! We have spent the week sharing memories of our time here at Grange Junior School. Many of these memories have been from the last few weeks where we have worked together to complete our production of Peter Pan and supported each other when away from home at residential. We have used these special memories to begin putting together our Year 6 Leavers' Assembly which will take place next Monday.

We are now looking ahead to moving on to our secondary schools and continuing to be the best we can be!

Year 5

This week, we have finished our maths learning and even completed an assessment on graphs, reading timetables, drawing and measuring angles. We have been solving reading comprehension and spelling tasks around "Minecraft", which was very interesting at the end of the year.

Finally, we helped with moving to our teachers' new classrooms – they have appreciated our help very much.

We finished the week with an assembly, where we thanked our lovely volunteers to read with us throughout the year.

YEAR 6 STONE FARM RESIDENTIAL

Last week, many of the Year 6 students spent the week away at Stone Farm in Devon – we had a fantastic time caring for a range of animals including rabbits, guinea pigs, chickens and goats! During the day, we went on lots of adventures to local landmarks and attractions such as Dartmoor, Eden Project and Roadford Lake. We were all extremely brave especially on the high ropes! In the evenings, we did many fun activities – our favourites being spending time in the games room and watching a falconry display.

YEAR 6 FOGS LEAVERS DISCO

A big thank you to our wonderful FOGS for putting together a fantastic leavers disco for our Year 6 children. The children loved to receive their keyrings and had the most amazing time.

ARBOR

We are very excited to announce that we will shortly be moving our school MIS system from Pupil Asset to Arbor.

Why Arbor?

Adopting Arbor will allow us to communicate with you more efficiently and bring all core school data and workflows into one system.

When will this happen?

We will be going LIVE with Arbor from Tuesday 5th September.

What do I need to do?

After the Summer, all school communications (SMS and emails) will come from Arbor and no longer from Pupil Asset. Please ensure you delete Pupil Asset App from your IT/Mobile devices.

Will there be a Parent App as before?

Grange Junior School used the Pupil Asset App to book Parents Evening and we will be launching the new Arbor Parent App in September 2023. More details to follow in September.

AND FINALLY

As we reach the end of another school year it is time to reflect on what a fantastic year it has been. The children continue to make us proud every day by working hard and living out our school values. The staff would like to wish all of our families a wonderful and safe summer and we look forward to seeing you all again in September. To those children and staff who are moving on to pastures new we wish them the best of luck as they set off on new adventures. Thank you for your continued support of the school and for your part in making Grange Junior School a very special place to be.

Stratton Juniors Football Club

Stratton Juniors have provided football for children and adults since 1990. Being at the heart of Stratton for the last 30 years, we are proud to offer first class coaching and training for your children.

We have teams that run from U6 all the way to our Men's and Veterans teams. This year we plan to run a women's team too. This is the first for the club and shows the commitment of growing the women's game.

The club are always on the lookout for new players, so if you would like to play football in a fun and friendly environment, please get in touch.

SQUAD
GIRLS' FOOTBALL

#LETGIRLSPLAY

Since the England Euro success, Girls football has really taken off. Here at Stratton Juniors, we are able to offer 2 x FA programs designed to get girls into the game we all love.

So if you want to try football in a fun and friendly environment, please get in touch by emailing us at the address below or head over to our Facebook page by scanning the QR code.
