### Vocabulary

conductive, magnetic, thermal, conduction, hardness, force, dissolve, solute, solvent, substance, filtering, evaporation

## How can you help at home?

- Your child needs to read at home at least 5 times a week (either to an adult or to themselves). Please sign their homework diary when they read.
- Help your child to learn their times tables.
- Help your child to learn their spellings.
- Your child should be able to pack their own bag and remember what they need for each day- try to encourage independence!

## Weekly routines

- Reading books can be changed when the children need to-just ask!
- The children will receive spellings on a Monday and will be tested the following week.

Please call school or email if you have any questions.

Thank you for your support,  
Mrs Feeny

victoria.feeny@grangemoorps.co.uk

## Homework

- ◇ The children will receive spellings on a Monday and will be tested on them the following Monday.
- ◇ Please encourage your child to read at home and to learn their weekly spellings.
- ◇ All children have access to Spelling Shed and Maths Shed.

# Work hard, aim high
