June Newsletter

Friday 13th June 2025

Dear Families

What a wonderful start to June it has been in school this half term. Our sponsored run for the Forget Me Not Children's Hospice was a huge success, with brilliant effort from children and I thank you all for supporting it so well. Similarly, our residential visit for Class 3 was brilliant – children were amazing and we are incredibly proud of them. Class 3 families – thank you for supporting them to attend and thank you for sharing them with us, it was a real privilege and pleasure to spend the time with them. We still have lots more to squeeze into the final half term of the year with a Summer Fair, trip for Class 1 and 2 and saying goodbye and good luck to our year 6 children! Below are some updates and further information I hope you will find helpful. Sending you all a very Happy Friday and a thank you as ever, from the bottom of my heart, for being the GREATEST families to work with. Miss B 😊

Thank You

I just wanted to include a thank you this month for all the help and support in getting our garden space revamped. For all the donations we have received and all the time a group of parents gave last week to start weeding and having a tidy up – the difference already is phenomenal. We will be using the local community grant we received to start ordering further resources over the summer so we can be back for Outdoor Learning with a bang in the new school year.

Curriculum Updates

Staff Training and Development time this half term is focused on Curriculum developments and making sure our curriculum maps are ready for September. This will include plans for enrichment days or weeks and trips over the year for children. Please look out for my final Parent Newsletter in July where I will be able to share the longer term plans with you all for what is to come for children next year. We will continue with the Class Assemblies next year each half term to share learning with you and hope to open classrooms more to parents for things like Science Week and Arts Week. Thanks so much for your engagement in what we have offered so far this year.

Reports

Staff are busy working on end of year reports for all children – these will be coming out to you at the start of July. Please do get in touch once you receive these if there is anything you would like to meet your child's teacher to discuss in person and we would be more than happy to facilitate.
