## March Newsletter

**Monday 10<sup>th</sup> March 2025**

Dear Families

Welcome to another month and another newsletter. March is a busy month with enrichments in school World Book Day, Science Week, Red Nose Day, Neurodiversity Week...and soon April will bring all things Easter too! We thank you for your continued support and engagement in these enrichments. A thank you too to our Friends of Grange Moor working so hard in the background, thank you to all our families who support the group which means they can bring so many additions to school for children. Sending you all my best wishes as always and a thank you for being the Grange Moor GREATEST community to work with.

Miss B 😊

### A Friday Favour to Ask

**We really value Fridays feeling special for children in school and think it is important that hard work and positive attitudes are rewarded at the end of the week. We are asking that if anyone has any free time on Fridays between 1:30pm and 2:30pm to help with activities to please get in touch with myself or Mrs Degnan. Anyone with an interest in outdoors in any way that could come and support our Forest Friday or anyone that has a skill or interest they could add to our Reward Time Activity options – sports, art, crafting, knitting....we are open to any broad suggestions and ideas. A huge thank you in advance and we look forward to hearing from you 😊**

### Science Week

This week is Science Week where children will be sharing stories linked the Science, taking part in extra Science learning in Classrooms and taking a very special delivery of an incubator of eggs ready to care for and hatch. Remember, children are also invited to enter the Poster Competition to design a poster about anything they have chosen to find out about linked to the theme 'Change and Adaptation' – please check the more detailed letter sent last week for further information.

### Communication

Word of mouth is one of our most powerful tools in raising the profile of our great little school. If you are a user – we now have an Instagram as well as Facebook Page which we are working hard to keep up to date with events in school and to also provide an insight into some of the wonderful things happening in classrooms. Please do like and share to help us get out lovely little school on the map.

Thank you 😊
