Open Evening

We will be opening the doors of school for an open evening for all prospective parents considering school choices for September 2026. This is on **Wednesday 24th September 5pm – 6:30pm**. We would love to see any current parents and children come along during this time if you can, even for just a short drop in. Children are what brings our school to life and we would love some pupils to be there to share things from their perspective. Equally, we also know that word of mouth is our most powerful tool and any parents that could be there to chat to prospective parents too would be greatly appreciated. Thank you.
