

Evidencing the Impact of Primary PE and Sport Premium 2023-2024
Guidance and Evidence for Grange School

Department for Education Vision for the Primary Sport Premium

All pupils leaving primary school are **physically literate** and with the **knowledge, skills and motivation** necessary to equip them for a **healthy, active lifestyle** and **lifelong participation** in physical activity and sport.

The funding has been provided to ensure impact against the following OBJECTIVE:

To achieve self-sustaining improvement in the quality of PE and sport in primary schools. It is important to emphasise that the focus of spending must lead to long lasting impact against the vision (above) that will live on well beyond the Primary PE and Sport Premium funding.

It is expected that schools will see an improvement against the following 5 key indicators:

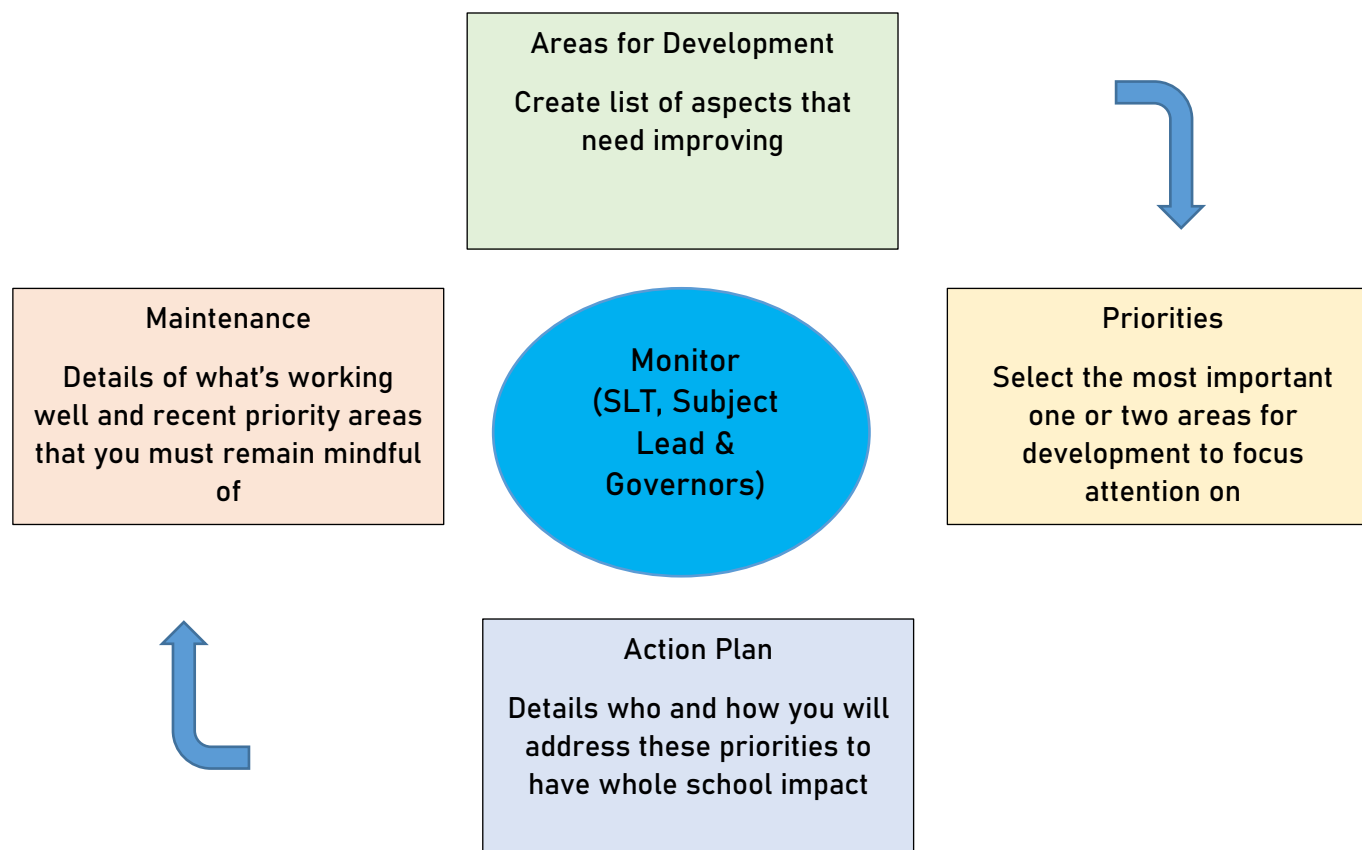

1. The engagement of all pupils in regular physical activity – kick-starting healthy active lifestyles
2. The profile of PE and sport being raised across the school as a tool for whole school improvement
3. Increased confidence, knowledge and skills of all staff in teaching PE and sport
4. Broader experience of a range of sports and activities offered to all pupils
5. Increased participation in competitive sport

Under the new Inspection Framework, Ofsted inspectors will assess how effectively leaders use the Primary PE and Sport Premium and measure its impact on outcomes for pupils, and how effectively governors hold them to account for this. Improvements should enhance, rather than maintain existing provision. For example, where schools are using their funding to employ specialist coaches, these should be deployed alongside class teachers rather than displacing them, in order for their impact to be sustainable and to enable the upskilling of existing teachers.

Primary Physical Education and Sport Premium planning and actions should show how use of funding contributes to this vision through identified school priorities which can be measured through reference to key outcome indicators. It is important that the main drivers for improvement are those identified by the school through their self-review. Each school should aim to achieve the following objective.

Objective: To achieve self-sustaining improvement in the quality of PE and sport in primary schools.

This model of thought supports our planning of spending and priorities for the development of PE and sport in school.

Department for Education Guidance on How to use the Primary PE and Sport Premium

Schools must use the funding to make additional and sustainable improvements to the quality of PE and sport they offer. This means that you should use the premium to:

- Develop or add to the PE and sport activities that your school already offers
- Make improvements now that will benefit pupils joining the school in future years, for example, you can use your funding to:
 - Hire qualified sports coaches to work with teachers
 - Provide existing staff with training or resources to help them teach PE and sport more effectively
 - Introduce new sports or activities and encourage more pupils to take up sport
 - Support and involve the least active children by running or extending school sports clubs, holiday clubs and Change4Life clubs
 - Run sport competitions
 - Increase pupils' participation in the School Games
 - Run sports activities with other schools
 - You should not use your funding to:
 - Employ coaches or specialist teachers to cover planning preparation and assessment (PPA) arrangements - these should come out of your core staffing budgets
 - Teach the minimum requirements of the national curriculum - including those specified for swimming.

Primary PE and Sports Premium Review 2023-2024

School Objectives:

1. To increase the curriculum coverage of PE and sport across the school by further developing the PE curriculum to ensure a wide range of sporting activities are available to all pupils both through the curriculum and through extra-curricular activities
2. To engage a peripatetic coach to develop and lead weekly PE session in EYFS and model EYFS specific teaching in PE to class staff
3. To ensure the delivery of high quality PE lessons that challenge and engage learners in developing a healthy and active lifestyle

Sports Premium Objectives:

1. To ensure that by the end of primary all pupils are equipped with the knowledge, skills and motivation necessary to equip them for a healthy and active lifestyle and lifelong participation in physical activity and sport.
2. To use the additional funding to develop PE and sport across the school to ensure participation by all.
3. To build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years
4. Develop teacher's subject knowledge through CPD, mentoring and training to help them teach PE more effectively

Key Learning:

- To develop the PE curriculum further to highlight and focus on skills and knowledge
- To lead staff through training for delivering the new curriculum
- To clearly identify / overcome barriers to physical activity
- Increase numbers of pupils accessing off site sessions
- Increase numbers of pupils accessing new sporting activities and competitions.
- Increase staff knowledge through appropriate training.
- Identify next steps in developing outdoor and physical learning throughout school.

Engagement of all pupils in regular physical activity by:

- Providing targeted activities or support to involve and encourage the least active children
- Encouraging active play during break times and lunchtimes
- Establishing, extending, or funding attendance of school sport clubs and activities and holiday clubs, or broadening the variety offered
- Raising attainment in primary school swimming to meet requirements of the national curriculum before the end of key stage 2. Every child should leave primary school able to swim.

Profile of PE and sport is raised across the school as a tool for whole-school improvement, for example by:

- Embedding physical activity into the school day through active travel to and from school, active break times and active lessons

Increased confidence, knowledge, and skills of all staff in teaching PE and sport, for example by:

- Providing staff with professional development, mentoring, training, and resources to help them teach PE and sport more effectively to all pupils, and embed physical activity across your school
- Hiring qualified sports coaches to work alongside teachers to enhance or extend current opportunities

Broader experience of a range of sports and activities offered to all pupils, for example by:

- Introducing new sports and physical activities (such as dance, yoga, or fitness sessions) to encourage more pupils to take up sport and physical activities
- Partnering with other schools to run sport activities and clubs
- Providing more (or broadening the variety of) extra-curricular activities after school in the 3 to 6pm window, delivered by the school or other local sport organisations

Increased participation in competitive sport, for example by:

- Increasing pupils' participation in the [School Games](#)
- Organising, coordinating or entering more sport competitions or tournaments within the school or across the local area, including those run by sporting organisations.
