Here to Help!

We have had a new arrival, Baby Watson arrived safely in March. We welcome Elias to the Great Marsden family! Mother and baby are both doing extremely well.

PE KITS.

It is vital that your child has a PE kit in school. PE is part of the curriculum and every child must take part. We only have so much spare kit to loan out and we are doing this in every class every PE lesson. Earrings should be studs and these MUST be removed for PE. No other jewellery is permitted in school.

Attendance winners last week are

Well done!

Lots of children are turning up at school not wearing the correct uniform. Trainers and boots are not allowed. A tie must be worn everyday with a shirt.

Please see the school brochure for any more details down below:

Don't forget, if you change your telephone number, home address or any other personal details please update the school office. Thank you.

We are having a major issue with cars blocking resident driveways on Trent Road. This is really unfair on our neighbours.

We are lucky to have a car park for you all to use.

Sadly there are some parents who are consistently blocking these properties and the residents are unable to leave for work and urgent appointments.

Usually it is the parents who are running late to drop off and pick up.

Texts have been sent to these parents. Please park responsibly.

You wouldn't want a car blocking your driveway would you?

Nelson Town Centre are having a King's Coronation event on Saturday 6th May and invite you all to celebrate. Children will be sent home next week with a crown to decorate. There will be parade at 10am for the children to take part, they need to wear the crown they have decorated. The best crown will win a prize!!! There are lots of events happening until 3pm so pop along and have some fun!

Lots of children are using the office to enter school in the morning.

You must use the Y3/Y4 entrance until 08:55am. If you arrive here before this time you will be re directed to the correct entry door.

We have an assembly every Monday, Wednesday and Friday morning, being late is disrupting everybody so please be on time.

St John's Church Centre is there for you! We have lots of activities, just check our Facebook page @stjohnwithstphilip.

Lorelli is more than willing to be a listening ear any time and we love to do christenings. Contact Rev Lorelli Hilliard/Church Office on 01282 447663/447590.
