ANTI-BULLYING POLICY FOR GREAT MARSDEN ST.JOHN'S PRIMARY (A Church of England Academy)

Statement of Intent

This policy is based on DfE guidance "Preventing and Tackling Bullying" July 2017 and supporting documents. It also considers the DfE statutory guidance "Keeping Children Safe in Education" 2021 and 'Sexual violence and sexual harassment between children in schools and colleges' guidance.

We are committed to providing a caring, friendly and safe environment for all of our pupils so they can learn in a relaxed and secure atmosphere. Bullying of any kind is unacceptable at our school. If bullying does occur, all pupils should be able to tell and know that incidents will be dealt with promptly and effectively. We are a *TELLING* school. This means that *anyone* who knows that bullying is happening is expected to tell.

As a Church of England Academy we recognise that good behaviour for learning and life is strongly linked to good relationships and mutual respect. It is therefore important that all relationships with our pupils, and between each other, are based on a fundamental respect for the individual.

Our School values are thus;

Loving God
Loving Others
Loving Ourselves
Loving Learning
Loving Life

We strongly believe that in living these values each and every day we will create a secure, caring and happy environment for every child and member of staff, where stimulating and creative learning can take place. Our ultimate goal is that all children will be able to self-regulate their behaviour choices because at the heart of effective learning is self-discipline. Pupils are taught to be responsible for their own behaviour and actions.

What Is Bullying?

Bullying can be defined as “behaviour by an individual or a group, repeated over time that intentionally hurts another individual either physically or emotionally”. (DfE “Preventing and Tackling Bullying”, July 2017)

Bullying can be:

- Emotional being unfriendly, excluding, tormenting (e.g. hiding books, threatening gestures, dirty looks)
- Physical pushing, kicking, hitting, punching or any use of violence
- Racist racial taunts, graffiti, gestures
- Sexual unwanted physical contact or sexually abusive comments
- Homophobic/Trans phobic - because of, or focussing on the issue of sexuality. At Great Marsden we understand that for some of our children these are real issues and we wanted to ensure that we were able to support the children and their families. Mrs Walsh, our Inclusion Manager, is a Stonewall Trainer. <http://www.stonewall.org.uk/>
- Verbal name-calling, sarcasm, spreading rumours, teasing.
- The rapid development of, and widespread access to, technology has provided a new medium for ‘virtual’ bullying, which can occur in or outside school. Cyber bullying is a different form of bullying which can happen twenty four hours a day with a potentially bigger audience and more accessibility as people forward on content at a click. Cyber-bullying is dealt with in the same way as other types of bullying at St. John’s. All areas of the internet, such as email & internet chat room misuse mobile threats by text messaging & calls, misuse of associated technology, i.e. camera & video facilities, are dealt with proactively in line with our Internet Safety policy and protocols. At Great Marsden we have clear protocols surrounding the searching and deletion of data from electronic devices.

Why is it Important to Respond to Bullying?

Bullying hurts. No one deserves to be a victim of bullying. Everybody has the right to be treated with respect. Pupils who are bullies need to learn different ways of behaving.

We believe we have a responsibility to respond promptly and effectively to issues of bullying.

Objectives of this Policy

- All governors, teaching and non-teaching staff, pupils and parents should have an understanding of what bullying is.
- All governors and teaching and non-teaching staff should know what the school policy is on bullying, and follow it when bullying is reported.
- All pupils and parents should know what the school policy is on bullying, and what they should do if bullying arises.
- As a school we take bullying seriously. Pupils and parents should be assured that they will be supported when bullying is reported.
- Bullying will not be tolerated – whether this is in or out of school. If an incident of bullying outside the school premises is reported to the school, it is important that it is investigated and appropriate action is taken. This will send a strong signal to pupils that bullying will not be tolerated and perpetrators will be held to account.

Signs and Symptoms

A child may indicate by signs or behaviour that he or she is being bullied. Adults should be aware of these possible signs and that they should investigate if a child:

Procedures

2. In cases of serious bullying, a member of the SLT will be informed who will become the lead professional to liaise with all parties concerned.
3. In serious cases parents should be informed and will be asked to come in to a meeting to discuss the problem
4. The bullying behaviour or threats of bullying must be investigated and the bullying stopped quickly

If necessary and appropriate, police will be consulted

An attempt will be made to help the bully (bullies) change their behaviour

Outcomes

- 1) The bully (bullies) may be asked to genuinely apologise. Other consequences may take place.
- 2) In serious cases the schools behaviour management procedures will be initiated (refer to our Behaviour Policy)
- 3) If possible, the pupils will be reconciled
