

# Celebrating Our Year 6 Stars: Achievement and Growth

We are incredibly proud to share our most recent **Key Stage 2 SATs results**, which reflect the hard work, resilience, and curiosity of our Year 6 cohort. While these scores offer a snapshot of academic attainment, they are only one chapter of the story we write together at our school.

Behind every percentage point is a child who has mastered a complex fraction, found their voice through creative writing, or discovered a love for literature.

We don't just measure where children finish; we celebrate **how far they have come**. Many of our pupils have made exceptional progress from their starting points, proving that with the right support and a growth mindset, there are no limits to what they can achieve.

Progress KS2 SATS			
	2022	2023	2 year average
Reading	Above (non sig)	Above (non sig)	Above (sig +)
Writing	Below (non sig)	Close to average	Close to average
Maths	Close to average	Close to average	Close to average

Achievement KS2 2025		
	Expected standard	Greater Depth
RWM	40%	7%
Reading	60%	30%
Writing	53%	10%
Maths	50%	13%
EGPS	70%	37%

Reading Scaled Score 103

Maths Scaled Score 101

MTC 19.2 ( National 21.0)

Phonics 68% with a 3 year average of 75%
