KS2 LEARNING COURSES WITH YOUR CHILD

Following on from the taster sessions we held earlier in March, we are delighted to offer you a series of workshops that you will be able to take part in with your child.

Due to the popularity of the taster sessions, we are expecting these courses to fill up very quickly. As a result, and to ensure fairness, we are asking parents / carers to indicate their order of preference for the courses they would like to attend with their child. Where possible, we will endeavour to ensure people are able to attend at least one course. However, where courses are over-subscribed, names will be selected from a hat. Maximum numbers on courses will vary from 8 to 12 depending on the activity.

Please note that a maximum of 1 child can attend with each adult.

Some of the courses are 1 offs, some however are 3 weeks long. Where a 3 week course is selected, you MUST be available to attend all 3 sessions. If you are unable to do this, for whatever reason, please do not book onto the course.

ALL COURSES ARE FREE AND ALL MATERIALS WILL BE PROVIDED.

Please complete the booking form overleaf, identifying order of preference for the courses you would like to attend.

ALL APPLICATIONS FOR PLACES MUST BE COMPLETED AND RETURNED TO THE CLASS TEACHER OR THE OFFICE BY WEDNESDAY 11TH MAY.
