A Real Life Viking!

A big thank you to Viking Hrothgar for coming to spend the day with Year 4 and teaching the children what it is like to live a Viking life. The children had the chance to learn all about family life, weapons, games, food and different Viking Gods through different stories, they even had the chance to dress up and act out a few stories for themselves!

Lets Go Sing!

The school choir had the amazing opportunity to sing at King George's Hall in the Let's Go Sing concert. The children were absolutely amazing, they sang beautifully and were a credit to watch and represent school. Thank you to all the parents, friends and families who came to show their support.

We are very proud of our children!

Silver Mile

On the 29th March we will be holding our annual Silver Mile Challenge. Make sure you get saving and bring in those silver coins.

The Silver Mile Challenge is a fun activity we do collectively as a school where we lay out all of our coins collected on the floor outside to try and reach a mile. We then bank the coins and put it towards fundraising for the school.

Remember that every coin counts!

Copper Competition

Please remember to bring in all your spare copper pennies to put into your class jars. The class with the most coins at the end of the term will win a trophy.

Year 5 are the class to beat as they currently hold the trophy from last term.

Who will win the copper jar challenge this term?

Attendance Winners

Last weeks attendance winners were Year 5 with an amazing 99.17%

Well done year 5, another £5 added to your end of year party

Who will win next week?

Weather

As you will have noticed the weather has been very unpredictable recently and it feels like we have been experiencing all 4 seasons in one day.

Please make sure you are sending all children into school with suitable coats, hats and scarfs so that they are ready for all weather. Please make sure your children's names are marked clearly in all of their items.
