'He is not here; he has risen, just as he said. Come and see the place where he lay'

Silver Mile

On the 29th March we held our annual Silver Mile Challenge. Thank you to all the children and parents who saved up for the event! Together we raised an amazing £200.20

The Silver Mile Challenge is a fun activity we do collectively as a school where we lay out all of our coins we have collected on the floor to try and reach a mile. We then bank the coins and put it towards fundraising for the school.

Miss Watson

We want to wish Miss Watson in Reception lots of luck as she is going on maternity leave to have her little baby boy. We wish you all the best and hope to see you both soon
Good Luck Miss Watson!

Year 5 Sleepover

The year 5 class had a great time 'sleeping' over at school. They enjoyed some games, watched ET and used their binoculars to stargaze into the night sky. The children woke up at 6.30am for toast, jam and hot cross buns for breakfast.

Year 2 get clucky!

Year 2 received a very strange looking machine last week. It was in fact an incubator with eggs inside! We learnt that eggs had to stay in the incubator to keep warm. Eventually the eggs started to move and shake and the children could hear the chicks chirping inside the egg. They were able to watch for the first signs of the chicks hatching. After the chicks had spent about a day in the incubator and dried out, we took them out and put them in a larger box with a heater. The children were able to handle the chicks, feed and water them and observe how they grew over a week.

We are so proud of all of our children who have completed the Brilliant Book Award along side Mrs Hanley. To complete this award the children had to stay behind school on a Thursday evening and read a new and exciting book every week.
