

A guide to accessing The Bromcom Student App

Step 1

Please go to;

<https://www.bromcomvle.com/?schoolid=14380>

If you are a student logging in for the first time, DO NOT ENTER ANY DETAILS and select 'Redeem Invitation Code' as shown:

The screenshot shows the Student Portal login interface. At the top, there are two robot icons and the text 'Student Portal'. Below this is a blue bar with 'STUDENT LOGIN'. The school name 'Great Sankey High School' is displayed. There are two input fields: 'Username' with a person icon and 'Password' with a lock icon. A checkbox labeled 'Remember School ID and Username' is present. Below the checkbox are two links: 'Forgotten Login Details?' and 'Redeem Invitation Code?'. The 'Redeem Invitation Code?' link is highlighted with a red box. A blue 'Login' button is located below the links. Underneath, there is a section for 'Single Sign-On Providers' with two buttons: 'Login with Google Account' and 'Login with Microsoft Account'. At the bottom left, the version number 'v5.2020.8650.36830' is shown, and at the bottom right, it says 'Powered by Bromcom'.

Step 3

Click I am not a robot and you will be taken to a page where you need to tell the system which email you want to use (in case they ever forget the password – this should be your school email but please make sure you spell it correctly) and then create a password. Please make sure you remember the email address and the password – make a note in your phone or email yourself the details.

Once that is done, the student should be able to access the app on their phone or on a computer using the School Id (14380), your username (NOT your email address) and your newly created password.

Good luck!
