**Revision Tips**

Past papers and mark schemes, including examiners reports, are available at:

<https://www.aqa.org.uk/subjects/science/as-and-a-level/chemistry-7404-7405/assessment-resources>

These are a good way of familiarising yourself with the style of questioning.

Use the online textbook to ensure that you can answer the summary questions for each of the relevant chapters. These cover the base knowledge required for each topic.

**Revision Tips**

- Use checklists.
- Make revision recipes for calculations and mechanisms.
- Answering past paper questions, mark and ask for clarification.
