### Revision Tips

Use flashcards for key theory – test yourself with the flashcards “little and often”.

Exam question practice – test yourself as regularly as possible and compare to mark scheme answers (refer to the structure of the exams below)

### 3.1 Assessment objectives and weightings

Below are the assessment objectives for this specification. Learners must demonstrate their ability to:

**AO1**

Demonstrate knowledge of terms, concepts, theories, methods and models to show an understanding of how individuals and organisations are affected by and respond to business issues.

**AO2**

Apply knowledge and understanding to various business contexts to show how individuals and organisations are affected by and respond to issues.

**AO3**

Analyse issues within business, showing an understanding of the impact on individuals and organisations of external and internal influences.

**AO4**

Evaluate quantitative and qualitative information to make informed judgements and propose evidence-based solutions to business issues.

## **Open Book Controlled Assessments**

Revision list for open book assessment is;

1. Cost- benefit analysis
2. Ansoff's matrix

The assessment will be based upon two case studies with a 12 mark and 10 mark question to complete. You will have time to prepare a help sheet that you can take into the assessment with you in the lessons prior to the task. Preparation will take place in the week commencing 19th April and the assessment will be in the week following this.
