Revision Tips

- Watch the extracts as many times as possible, with a different focus each time.
- Have a preference which practitioner you will write about for Activity 2, know the extracts well enough to be able to quote the key lines of dialogue.
- Watch a range of professional works from the practitioners either via the media portals or on youtube.
- Read your resource booklet through, cover up your answers and try to write the key points out again, then check for missed details (Look, Cover, Write, Check)
