**Revision Tips**

Use flashcards for key theory – test yourself with the flashcards “little and often”.

Exam question practice – test yourself as regularly as possible and compare to mark scheme answers (refer to the structure of the exams below)

### 3.1 Assessment objectives and weightings

Below are the assessment objectives for this specification. Learners must demonstrate their ability to:

**AO1**  
Demonstrate knowledge of terms, concepts, theories, methods and models to show an understanding of how individuals and organisations are affected by and respond to business issues.

**AO2**  
Apply knowledge and understanding to various business contexts to show how individuals and organisations are affected by and respond to issues.

**AO3**  
Analyse issues within business, showing an understanding of the impact on individuals and organisations of external and internal influences.

**AO4**  
Evaluate quantitative and qualitative information to make informed judgements and propose evidence-based solutions to business issues.
