<b>Revision Tips</b> <p>Use flashcards for key theory – test yourself with the flashcards “little and often”.</p> <p>Exam question practice – test yourself as regularly as possible and compare to mark scheme answers (refer to the structure of the exams below)</p> <p>Longer Answer questions - The 8 and 10 mark questions are marked in bands: L1 - L5. In order for you to get into the top band, you need to be able to apply your knowledge and explain in detail, you cannot just bullet point or list advantages and disadvantages for example. Use the KAA EV method</p> <p>Remember your developed explanations which can be backed up with examples from text and your own knowledge.</p>
