Useful revision resources:

Revision guides can be purchased from school. We have the CGP GCSE Food Preparation and Nutrition Revision Guide (£4.50) or the My Revision Notes Food Preparation and Nutrition Guide (£9.99).

Another good book available online is the Illuminate Revision Guide by Anita Tull ISBN: 978-1908682802.

Seneca Learning is really useful and has some wonderful videos to help. GCSEPod is also another great resource.

The revision booklets you are using in class are also very useful and additional resources such as mind maps and flash cards will be an advantage.
