Revision Tips

- **Create something new:** Just sitting and re-reading your notes isn't revision! Make something new - a knowledge organiser, a concept map, flashcards, a quiz... anything that makes you work with the knowledge actively.
- **Don't forget to practise:** Reading French is important to get comfortable with extended pieces of writing. Use the activities on languagenut / BBC Bitesize (links above) to practise reading and to revise vocabulary.
- **Not feeling motivated? Revise little and often:** If you struggle to revise for extended periods of time, try to revise for a few minutes each day instead. You could use flashcards to test yourself on key vocabulary and verbs.
