Revision Tips

- You must read the question – **common mistakes** are when you are asked ‘To use the figure and your own understanding; You must use both!
- **BUG the question** - Box the command word, Underline the issue and glance for other key words.
- Answer the questions using **PEEL** – Point, Evidence, Explain and Link.
- To answer graph questions – use **TEA**: Trend, Example and Anomalies.
- Remember **SEE**: Social, Economic and Environmental.
- Remember to focus on **key terms** in your revision- a question may have a specific key term in it. If you do not know the key term you will not be able to answer the question!

- Try and remember **key Geographical case studies** so you can use the examples in your answers.
- **Find the revision style that works best for you!** -mind maps/crunch notes.
- **Practice, practice and more practice!** Exam Questions and mark schemes on AQA website
