##### Revision Tips:

For Section A, you need to understand and be able to apply all the tier 2-3 vocab to the questions. The final part to each question is usually worth 2-4 marks in Section A so you need to be able to define the elements of music which feature in each AoS.

You need to write in sentences for Section B and answer the questions (you can't just write random tier 3 vocab words like "anacrusis"). You should all redo Sec B from December's mock (June 2023). See your written feedback.
