

Subject: A Level Physics**Exam Board: AQA****Paper 1: 60 minute paper**

75% long answer questions, 25% multiple choice

Assessment Content

Thermal Physics (Chapter 19)

Ideal Gases (Chapter 20)

Magnetic Fields (Chapter 24)

Capacitance (Chapter 23)

Alternating Current and Power (Chapter 24)

Paper 2: 60 minute paper

75% long answer questions, 25% multiple choice

Assessment Content

Gravitational fields (Chapter 21)

Circular Motion (Chapter 17)

Electric fields (Chapter 22)

Radioactivity (Chapter 26)

Nuclear Energy (Chapter 27)

Open book: 45 minute paper

100% long answer questions

Assessment Content

Simple Harmonic Motion (Chapter 18)

Deformation of Materials (Chapter 11)

Practical work in Physics (Chapters 14 and 29)
