

Dear Student,

**Re: Autumn Examination Opportunity**

As confirmed by Ofqual in May this year, any student who would have been entered for external exams had they gone ahead is eligible, if unhappy with any of their final grades, to sit some or all of their exams during the Autumn series. The dates for the Autumn exam series are detailed below. If you choose to take exams in the autumn and achieve a different grade from the grade you received this summer, you will be able to use **the higher of the 2 grades** to show to universities, colleges and employers in future.

**Dates for the Autumn Series 2021**

Results Day - 13<sup>th</sup> January 2022
