

National Teaching School
designated by

National College for
Teaching & Leadership

7th October 2020

Dear Parent/Carer,

To support your child further, we have decided to extend the deadline for the completion of the Bronze DofE certificate, any students who achieve Bronze level by **February half term** will be able to sign up to work towards the Silver DofE Certificate for a cost of £22.

This gives your child the opportunity to complete a section if they have been unable to start it yet due to circumstances out of their control.

To further support completion, we have created a Google Classroom which your child should join. Parents/guardians will be invited once your child has joined the class. **(Class code fdkhazl).**

We are currently in process of refunding; these have been completed via Wisepay and unfortunately the only way to do that was to refund as per instalments paid. Refunds will show as a "DRS" Transaction on their bank/ card statement depending where the payments came from originally.

Thank you for your continued support, I look forward to seeing your child's progress in their personal development and supporting the completion of Awards

Kind Regards

Mrs N Woodruff
